### Medical Notice.

Important and Unequalled Discoveries,  
DR. JAMES M. MARTIN'S APPROVED  
FAMILY MEDICINES.

UNTIL now, the advantages afforded by an  
extensive and diversified practice have enabled Dr.  
J. M. MARTIN to make various highly important  
discoveries in the healing art.

In offering his preparations to the human family,  
Dr. Martin fearlessly hazards the assertion, that  
they are not only unsurpassed, but not equalled,  
either for their curative properties, or for mildness,  
safety and certainty in their operations, by any  
other preparations compounded for similar pur-  
poses, now before the public.

Dr. James M. Martin's Invaluable Pills, for the  
cure of Fever and Ague and all other Fevers, have  
not in a single instance failed to accomplish a per-  
fect cure when the directions have been strictly  
followed. This medicine has in various violent and  
desperate cases, effected radical cures, after the pa-  
tients had been abandoned and their condition pro-  
nounced hopeless, by medical gentlemen of high  
professional character.

Dr. MARTIN'S ANTI-BILIOUS VEGETABLE UNIVER-  
SAL LIFE PILLS.—This medicine will certainly  
remove all impurities of the blood, and is an ef-  
fectual remedy in many of the complaints which  
afflict the human system, and for the various pain-  
ful and venereal diseases incident to the female  
sex, no preparations now known to the public are  
equal to these pills. As a cathartic, they are en-  
tirely safe, always efficacious, and operate with un-  
usual mildness; they also act as a cosmetic, and  
render the complexion clear, rich and fair.

Dr. MARTIN'S ANTI-DYSPEPTIC AND ANTI-CON-  
SUMPITIVE PILLS.—These pills are principally pre-  
pared of Indian remedies, and operate almost like  
a charm. For dyspepsia, consumption, chronic  
cough, pain in the breast, spitting blood and com-  
plaints of the bowels, generally, this medicine is  
a certain cure when taken according to the accom-  
panying directions. For many of the complaints  
with which children are afflicted, it is truly effica-  
cious and without a rival.

Dr. MARTIN'S NEVER FAILING WORM DESTROY-  
ING MEDICINE.—This preparation now ranks among  
the most important discoveries of this or any  
other age, for expelling worms, it is never fail-  
ing. Parents who are anxious to preserve the lives of  
their innocent offspring should always keep the in-  
valuable Medicine in their families.

See Dr. James M. Martin's pamphlet, entitled  
the "Family Physician." This edition, left  
with all agents for gratuitous distribution.

All the above Medicines are to be had  
wholesale and retail at the Drug and Book-Store  
of Dr. WM. R. SNELSON, Fayette, and at the  
store of GEO. KNOX, Rochester. Responsible  
persons in every neighborhood in the counties of  
Boone and Howard, are requested to call and re-  
ceive the above medicines on deposit, for the con-  
venience of the afflicted in their respective neigh-  
borhoods.

A few of the certificates among thousands of  
which Dr. Martin is constantly receiving, ex-  
pressive of their grateful acknowledgments, will  
occasionally be inserted.

### CERTIFICATES.

Certificate of Mrs. Nancy Hawkins.  
Dr. James M. Martin—Sir:—A duty which I  
owe to the public as well as to myself, impels me  
to advise you of the great benefits that have re-  
sulted, within my immediate knowledge, from the  
use of your Medicines. Those unacquainted with  
you, or with your long experience and unsur-  
passed skill as a practicing physician, might readily  
be inclined to believe, that you are attempting a  
base imposition upon the unsuspecting and credu-  
lous. But it must be admitted, and the afflicted  
who have used your Medicines are certainly under  
the conviction, that you have approximated per-  
fection in the healing art. I have, myself, admin-  
istered your FEVER PILLS, when life was almost  
gone, and every hope had been abandoned by gen-  
tlemen well skilled in your profession, and I have  
never known the medicine to fail. I was present,  
myself, in nine cases of obstinate fever, in all of  
which your Fever Pills were used. The rapid re-  
covery of the patients, in every instance, occa-  
sioned surprise and astonishment in those who  
were acquainted with their condition. I have also  
used your UNIVERSAL LIFE PILLS, and frequently  
administered them to others, and am persuaded that  
as a universal medicine, they are unequalled. In  
fact, suffering humanity is largely indebted to you,  
and to no very remote period, the many blessings  
you have been instrumental in imparting to the  
afflicted, will meet with the grateful acknowl-  
edgments of a grateful people.

NANCY HAWKINS.  
St. Louis County, Mo., April, 1843.

Certificate of Mrs. Margaret Main.  
Mrs. MAIN has received from the University of  
Edinburgh a diploma, as an Accoucheuse, and  
her services in that capacity, as also in that of  
nurse or doctor, are held in great requisition.

I have accurately observed the operation of Dr.  
James M. Martin's medicines, and take great  
pleasure in recommending them to all mothers and  
heads of families, as being superior to any which  
I have met during a long practical experience, both  
in Europe and in this country, among females  
and children.

MARGARET MAIN.  
Jefferson City, Jan. 3, 1842.

St. Louis, Mo., June 7th, 1843.  
Dr. James M. Martin: Sir:—I deem it a duty  
which I owe to you as well as to the thousands and  
tens of thousands of the sufferers of the human race,  
to bear testimony, and to put that testimony upon  
record, of the great and unequalled blessings that  
have been imparted to others, by the use of your  
ANTI-BILIOUS UNIVERSAL LIFE PILLS. I have known  
them to relieve suppression of the Menstrues of one  
or two years standing, after repeated efforts of the  
best medical and skillful of your profession had  
failed to produce any favorable result, and the  
sufferer rapidly hastening to an untimely grave,  
while yet in the bloom of youth. After the use of  
two boxes of your Life Pills, every thing was  
restored to its proper organization—Health, Beauty,  
the Physical Powers, and the Life of the female.  
As a mother who has seen much and many afflic-  
tions incident to her sex, I cannot too strongly  
recommend your medicines to all mothers and  
heads of families, believing, as I do, that they  
are among the greatest earthly blessings we pos-  
sess and knowing, from experience, that they are  
universal in their application. And let me assure  
you, that it is my sincere wish, that the piper of  
all good gifts, may, when your cup shall be full,  
recompense you for the manifold blessings you have  
been instrumental in conferring upon suffering  
humanity.

### Union Academy.

THE undersigned is permanently established  
as a Teacher of Children and Youth, at Union  
Academy, about three and a half miles west of  
Fayette. He is a graduate, and has had nearly five  
years' experience in teaching; more than three of  
which, he has spent in the house which he now  
occupies; always giving special attention to the  
best means of developing and instructing the  
youthful mind.

While this school is designed to furnish a  
thorough Classical and Mathematical course of in-  
struction, constant effort will be made to impart  
a minute and accurate knowledge of the elemen-  
tary branches, such as Arithmetic, English, Latin  
and Greek Grammars, and other studies prepara-  
tory to a liberal course—as experience has proved,  
that while pursuing these, the intellectual character  
is mainly formed. Every pupil is required to  
make a thorough and rigid analysis of each book  
as he proceeds; to state in his own words his view  
of the subject in hand, that his misapprehensions  
may be corrected, and thus to discipline and  
strengthen his own mind.

It will be the constant aim of the Instructor  
to prepare his pupils for the practical duties of life,  
not only by teaching them to think for themselves  
on all subjects, but by introducing frequent exer-  
cises, drawn from the various business transac-  
tions of the world.

Young gentlemen wishing to qualify themselves  
for teaching, will receive instruction with special  
reference to that object.

The location of this Institution offers peculiar  
advantages. Situated in a most healthy neigh-  
borhood, removed from the corrupting influences of  
town, and village, and surrounded by highly re-  
spectable families, with whom board may be ob-  
tained, this school must insure the moral, as  
well as the intellectual advancement of its pupils.

TERMS.—For the elementary branches: Reading,  
Writing, Arithmetic, English Grammar, Geo-  
graphy, &c., per session, of five and a half  
months, \$5 00

For the higher branches: including Latin,  
Greek, French, the various branches of  
Mathematics, &c., &c. \$15 00

Boarding, including washing, fuel, and lights,  
can be obtained at \$1 25 to \$3 00 per week.  
Two or three boarders would be received by the  
Teacher.
